## RECIPIENT DISCLAIMER

I, the undersigned, hereby certify that in accepting this computer equipment from ITShareSA, I understand and agree to the following:

- ITShare is a volunteer organisation, working with donated equipment and freely available, (usually Open Source based), software.
- ITShare volunteers endeavour to provide equipment suitable to the recipient's needs, but we cannot guarantee that the equipment and software will be adequate, or predict the lifespan of said equipment.
- ITShare volunteers cannot take responsibility for damage, injury, or data loss as a result of the misuse or malfunction of equipment, which we ourselves have received as a donation. To minimise the risk of such occurrences, all recipients should ensure that they inform themselves of, and engage in, proper electrical safety practices, and regularly back up all important data.
